

Join Our Team at Bath Water District!

Position: Distribution Technician

Pay: Starting around \$23/Hour

Bath Water District is responsible for providing drinking water to 15,000 customers in the City of Bath and four surrounding communities. We are now accepting applications for a Distribution Technician to work cooperatively on our network of distribution mains, storage tanks, and related facilities. Work includes repairing and installing water lines, fire hydrants and water meters, as well as customer service calls. The position requires after-hours on-call status on a rotating basis, including answering pager calls and staying within a 20-minute response time to Bath.

Qualifications:

- High school diploma or higher
- Strong communication skills
- Ability to obtain Class 2 Distribution Water Operator license
- Valid driver's license

Experience in water work or equipment operation is a plus!

Apply Now:

Download the application at www.bathwd.org or request one emailed to you at info@bathwd.org

Send your completed application, cover letter, and resume to: **Bath Water District, Attn: Shaun Yeatts 1 Lambard Street, Bath, Maine 04530**
